booking

I would like to book a stall at the 2011 Gate to Plate food market. I understand that the cost is \$35 and upon receipt of tax invoice is payable to The Gallery Foundation.

treasure hunt promotion

A treasure hunt booklet will be produced for children which will contain a question about participating stalls, a sample they can try, a place to be stamped by the stall holder and a description of where they can find more of your product – eg list of retail outlets, on line, other markets etc .

The Children’s treasure hunt concept has been designed to encourage children/families to attend the market and interact with the stall holders and will create a good media interest story for us to promote.

We ask stall holders to participate in this low cost idea to promote the market day if it is appropriate. Many stall holders offer samples anyway and will find this a useful promotional tool.

The Question should be educational and relate to local food – eg. Where does it grow, does it have a special name, what is the famers name? or educational – eg. how longs does it take to grow etc.

Yes I would like to participate in the Children’s treasure hunt promotion.

I can provide a sample of : _____

The Question that children can ask about my stall/produce (the answer could be in your stall signage or they may have to ask you.)

Question:.....

I can provide a prize for the lucky draw prize for participants of the treasure hunt.

Booking deadline 15th August 2011

Payment deadline 31st August2011.

Thank you for your support.
